From Our Vicar

Dearlly beloved in Christ,

Greetings in the name of our Lord and saviour Jesus Christ

We have entered to a new season in the liturgical year. This is the time of 'Annunciation' in the midst of pandemic. In the Bible we can see the annunciation to different types of people from different contexts. But the message is the same that is the birth of Jesus Christ (Yeldo). We can't estimate the selection process and delegation from God Almighty. God will select each of us to accomplish His mission. Be ready to become an instrument like Mary, Mother of Christ. We need much dedication to receive the real essence of the birth of Our Saviour in these difficult times.

We have experienced enormous grace from our Lord in last quarter. We have conducted the programmes of church and organizations gracefully. We have finished the annual meetings of all of our active prayer groups. All these accomplished because of the dedication and cooperation of our parish members. The whole hearted support and love really experienced during the family day collection also. The annual examination of Sunday school has completed by the hard work and dedication of our Sunday school team. I hope our students had written the exam more fruitfully because they went through the midterm and model exams.

Our next quarter is more challenging: Christmas and New Year celebrations, Parish Convention, Parish festival, Parish day etc are ahead of us. We should go forward with more prayer and confidence. When we look behind we can realize that God is so merciful and caring. So we can make sure that God will take care of us in our journey. This pandemic has taught us many new lessons. We have learned to minimise our needs, be rooted in the Word of God, to found more time for prayers, realised the overwhelming presence of God and the limitations of human being.

We must increase our faith during these difficult days. Faith is not the belief that God will do what you want. It is the belief that God will do what is right. God is never late but on time. We can hope that God will take back this pandemic on right time.

Prayers,

BAIJUACHEN
